Foto: Tourismusverband Bad Hall - Kremsmünster

In Upper Austria, at the foothills of the Alps, is Kremsmünster ...

The "Monastery on the Krems" was founded in 777 by Duke Tassilo. It has remained, up to these days, a cultural and economical center of the region.

Although they continue to beware their traditions, the people here, at the crossings of old trade routes, are always open-minded towards anything new.

Here, it is possible to combine new ways with tradition.

First Production

company

Kremsmünster 1949

Centuries ago, when Bohemia was a part of the Austrian Monarchy, this region was the center of the glass industry, as it was rich with necessary natural resources. Post-war immigrants from Gablonz in Bohemia established the glass manufactory Schöler 1949 in Kremsmünster.

The people of Kremsmünster continued the production of glass and became internationally renowned suppliers of crystal components for decorative lighting for palaces, hotels, villas and representative buildings.

Our long-serving, motivated and qualified craftsmen represent the soul of our enterprise. They are the basis of our success from the very beginning. Our people played an essential part in making Schöler a leading producer of top quality chandelier crystals. Because of our highly trained employees, we continuously improve our world-market position.

**Today,
the company is managed by:
Christian Pamminger**

Kremsmünster today

Through consequent market surveys and responding to customer requirements, the enterprise Schöler is the leading complete-supplier to the industry.

Not only at the headquarters in Kremsmünster, but also through our worldwide representatives, we try our utmost to meet today's requirements through flexibility and quick shipping.

Machine-Production (semi- and full-automatic)

production

The raw material that we use mostly in our production is optical crystal: high quality glass with an excellent transparency and light refraction.

Hand production is a long labour-intensive procedure. Heated in the furnace, the clear or full-color raw material melts and turns into a viscous fluid. Then it is moulded under pressure in a metal mould. A semi-finished piece with the shape of the final product appears. Then it cools and hardens.

Now the product is cut by the master craftsman's hand. In many different steps, the facets and the edges will be cut until the incoming light separates into the spectral colors. Polishing adds the final brilliance.

Machine production is done by our highly precise cutting machines, using advanced technology, developed by Schöler.

On request, the finished crystal is coated with metal-oxides under vacuum to achieve a coating color.

At each production step, the quality is controlled. Finally, every single crystal is critically inspected.

The crystal products, quite often pinned together, are carefully packed and shipped to the customer.

In our comprehensive catalog, you will find everything, from economic products to the highest quality articles. We ensure that whichever type of crystal you select, only the best possible quality will be available.

Our range is extensive, but should your own designs be required, please don't hesitate to contact us accordingly. With pleasure, we will produce exclusively for you.

Certificate

advantages

Product Advantages

- finest first quality
- carefully made using advanced technology
- the world's most extensive assortment of crystal components for decorative lighting: many thousand shapes and 10 colors and 12 coatings, in total over 70.000 articles
- permanent efforts in product development
- fair prices for all, from pressed crystals to precious rock crystals
- usable for different applications: crystals for decorative lighting, crystals for LED and fibre-optic, crystals for bath & furniture, crystals for decoration, crystals for the gift business

Marketing Advantages

- global reputation of "Austrian Crystal"
- world-wide Corporate Identity with our system of Distributors and Agents
- high relationship management and loyalty to our partners and customers
- high experience in doing international business resulting in fast and fluently procedures (customers in over 70 countries of the world, export-rate over 95 per cent)
- high service quality: pre- and post-sales-management
- information policy (newsletters, new products, sales campaigns etc.)

Company Advantages

- internationally registered brand-name "Schöler Crystal"
- old-established company (founded 1949) with a high sense of tradition
- company awards:
"Staatlich ausgezeichnetes Unternehmen" only given to the best companies in Austria
"Austria-Gütezeichen" from the ÖQA-Society (= Austrian work group for the support of quality); this is an award for high-end products and high production-standards and strong efforts for improvements in product and service quality
- unique combination of old traditional handcraft and newest technology
- big affinity in working with designers for handling lighting projects in palaces, castles, luxury-villas, hotels and government buildings

GENERAL INFORMATION

Advanced technology and skilled craftsmanship form the product SCHÖLER CRYSTAL, crystals of finest quality and highest value.

Minor deviations in dimensions, crystal thickness, nuances in color, and occasional bubbles are a typical sign of handcrafting.

This catalog/pricelist shows a selection of our crystals. If you prefer your own designs, do not hesitate to ask for an offer. We will be glad to produce exclusively for you !

COLORS & COATINGS

than the mentioned minimum-quantity or packing-unit.
Where possible to do so a 25% surcharge will be applied.

BACKORDERS

Backorders with a value of less than EURO 25,-- are automatically cancelled.
All items not shipped are automatically placed on backorder.
If you do not wish to receive backorders, please notify us and your request will become part of your file.

SAMPLES

surcharge ... +25%
We are pleased to send you samples of all requested articles,
but we have to charge them to you (with a surcharge of +25%).
Exceptions from sample-invoicing are possible on inquiry.

General Terms & Conditions of Sale of Schöler & Co. GmbH

1. Validity

- 1.1 Our deliveries and services are exclusively effected on the basis of our General Terms and Conditions. General Terms and Conditions used by a customer do not become part of the agreement, and also this applies if we do not expressly object to the differing General Terms and Conditions of the customer and also if we carry out deliveries and services knowing about differing contractual provisions, or terms and conditions.
- 1.2 Our Terms and Conditions also apply to future deliveries and services even if our General Terms and Conditions are not expressly referred to.
- 1.3 A difference from our General Terms and Conditions may only be validly effected by making a corresponding agreement in writing that is signed by both parties.

2. Orders

- 2.1 Our offers are subject to change without notice. Orders are only accepted by us if confirmed by us in writing.
- 2.2 Subsequent changes in confirmed orders (such as changes in the ordered quantity or changes in the ordered articles, colors or qualities) are only possible with our confirmation.
- 2.3 If we have already rendered services on the basis of orders that are to be subsequently changed, the costs that have accrued by rendering the service are fully invoiced to the customer.
- 2.4 Orders that are already in the process of production may no longer be changed or cancelled unilaterally by the customer. Costs arising from the cancellation or changes are fully invoiced to the customer.
- 2.5 Minimum order quantities may apply as communicated by us.
- 2.6 Goods from call-off orders are to be accepted within the agreed period, however, in six months at the latest.

3. Product Specifications

- 3.1 We may change its product specifications at any time.
- 3.2 Information appearing in catalogs, brochures, etc. or qualities of a product such as color, quality or dimensions will be binding only when referenced in the order acknowledgment.
- 3.3 Deviations due to manufacturing process, e.g. in quantities, colors, dimensions, weights and product qualities are permissible.

4. Prices

- 4.1 Unless agreed otherwise in writing, our prices are net prices, to which value-added tax is to be added in the applicable statutory amount. This also applies to flat fees.
- 4.2 We reserve the right to adjust the agreed prices for deliveries and services to the wage and material costs corresponding to the time of the performance of services unless these are rendered within three months from making the agreement. This does not apply if a fixed price has been expressly agreed with the customer for the entire duration of the agreement.
- 4.3 Our prices apply to the agreed purchase quantities. In the event of reduced quantities, we reserve the right to adjust the prices correspondingly.
- 4.4 Services in addition and supplemental to the agreed scope of services are separately invoiced to the customer.

5. Terms of Payment

- 5.1 Payments are to be made by the customer to the accounts given on the invoice and within the period stated there.
- 5.2 Payment is effected when we may freely dispose of the funds. In case of payment in a freely convertible currency other than the invoice currency, the exchange risk and all related charges shall be borne by the client. All bank charges shall also be borne by the client.
- 5.3 Delay in payment by the customer occurs after the due date also without a reminder.
- 5.4 In the event of delay in payment by the customer, we charge interest on arrears in the amount of 12% p.a.
- 5.5 In addition, the customer is obligated to make good any costs of reminders and pursuing the claim including the costs of pursuing the claim out of the court. We reserve the right to assert higher damage claims caused by a delay.
- 5.6 Set-off by the customer with claims against us is excluded unless the counter-claim has been expressly acknowledged by us as existing and being due or has been declared by a final judicial title.
- 5.7 Complaints do not entitle the retention of payments.

6. Terms of Delivery

- 6.1 The delivery time arises under the agreement between the parties. A transaction for delivery on a fixed date is only provided if this has been expressly agreed on a fixed date is only provided if this has been expressly agreed by the parties in writing. Delivery periods relevant for us only start to run when all commercial and technical questions have been clarified and the customer has fulfilled any of its obligations (such as making a deposit-payment). A delivery time relevant for us is considered met if the service to be fulfilled by us is substantially rendered according to the agreement.
- 6.2 Should the dispatch of goods ready for shipment be delayed by circumstances beyond our control or for reasons attributable to the customer, we may have the goods stored at the risk and the expense of the customer. Upon such action, delivery and acceptance shall be deemed to have taken place, and payment becomes due accordingly.
- 6.3 If performance of the delivery is delayed for reasons that the customer is responsible for, we have the right to make other dispositions of the goods after expiration of a reasonable extension of time without rectification or, at our discretion, to render the goods within a reasonable extended period regardless of any other claims.
- 6.4 If performance of the service is delayed for reasons that are to be attributed to force majeure or other events outside our influence, a reasonable extension of the delivery period is agreed. As far as possible, the customer is immediately notified of the beginning and end of such circumstances.
- 6.5 If we delayed deliveries or services to be rendered by us for reasons that we are responsible for, we are liable for damage caused to the customer in the event of gross or wilful negligence. This is to be proven by the customer. Liability is limited to a maximum of 0.5% for each week of delay, however, in total to a maximum of 5% of the net value of the order. Otherwise the customer is entitled to repudiate the agreement in the scope of statutory provisions subject to the additional precondition of the expiration of a reasonable extension of time without rectification. In any event, our claim to payment of partial deliveries remains unaffected by any repudiation of the customer. Further claims of the client and claims exceeding this are excluded.
- 6.6 Claims of damages on the basis of non-performance are excluded excepting the event of gross or wilful negligence. In this event, our liability is limited to 5% of the net value of the order.
- 6.7 If it arises during the performance of our deliveries or services that the order cannot be carried out, we are entitled to cancel the agreement unless the customer agrees to a change of the agreement. In the event of repudiation, we are entitled to the pro-rata fee; the customer does not have any claims.
- 6.8 Our deliveries are effected on the basis of the international Incoterms 2000 that are specified in the offer or in the order confirmation. If not stated otherwise, we deliver ex works.
- 6.9 Effecting partial deliveries or rendering partial services is permitted as far as this is reasonable for the customer.
- 6.10 In absence of specific agreements the packaging is chosen by us.

7. Limited Warranty and Liability

- 7.1 Samples only represent and approximate condition of the goods to be delivered. Deviations in quantity and quality of the delivered goods that are customary in the trade do not represent defects that constitute warranty claims.
- 7.2 Deliveries from different production batches may also be subject to deviations customary in the trade that do not constitute any claims of the customer.
- 7.3 Details about characteristics of our products only represent a mere description of properties and are not to be regarded as a representation or warranty of characteristics.
- 7.4 We may prove the quality of our goods by means of certificates. Further examinations and certificates may be initiated on request. They are separately invoiced by us.
- 7.5 The customer is obligated to confirm acceptance in writing without delay. In any event, every delivery and service (also partial deliveries or partial services) is deemed as performed without defects if the customer does not report defects in writing without delay and within fourteen days after receipt of goods at destination at the latest.
- 7.6 The notification of defects in writing is to contain the following details: a) type of defect, b) complete article number, c) number of pieces, d) invoice number, e) date of receipt of the goods.
- 7.7 The warranty period is six months. Within this period, we warrant proper delivery or service and, at our discretion, warranty is restricted to improvement or exchange provided that the circumstance constituting the defect has already been given on the passing of risk and the customer has reported the defect in writing without delay. Unless expressly agreed otherwise, warranty is effected at the place of performance.
- 7.8 After notification by the customer, sufficient time and opportunity is to be granted to us to make the required improvements or additional deliveries; if this does not occur, we are not liable for any disadvantageous consequences arising from this. Only if it is absolutely necessary to prevent a threat to operational security or to avoid disproportionate damage, the customer is allowed to remove the defect itself or through third parties. In this event, the customer is to notify us without delay. The costs of a substituted removal are reimbursed by us up to the amount that we saved due to the substituted removal.
- 7.9 If the defect is not rectified in spite of improvement or exchange, the customer is entitled to reduce the fee; a right of repudiation is excluded.
- 7.10 No warranty exists for defects that are to be attributed to instructions of the customer or occur in materials or products made available by the customer. We are not obligated to comment on the suitability of instructions of the customer or on materials or products made available by the customer if we were not expressly charged with the examination. Likewise, claims of the customer are excluded if the customer or a third party makes improper improvements.
- 7.11 In the scope of deliveries and services that are essentially based on products of third parties, we only have a warranty obligation or liability for damages to the extent we are also entitled to warranty claims or claims for damages against third parties. We have the choice to be released from our obligation or liability by offering to the customer the assignment of our claims against third parties.
- 7.12 The customer is entitled to claims for damages on the basis of deficient performance only if it proves wilful or gross negligence to us. With regard to damage that does not arise in the deficient corporeal property itself, liability exists only provided that this is a damage that is to be attributed to culpable injury to life, body or health, fraudulently concealed defects or the absence of expressly represented characteristics. Per damage event, liability is limited to damages that are typical of agreements and can be reasonably foreseen by us as well as to compensation paid by our insurance. Further claims are excluded.
- 7.13 Our liability is limited to direct damage with respect to the goods themselves, and shall in no event exceed the amount paid to us for the relevant goods. In no event, we are liable for any indirect, incidental, special, punitive, consequential or other damages, however based and irrespective of whether we had knowledge of the possibility thereof, unless where liability is enforced by law in cases of wanton or gross negligence. The burden of proof is with the client.
- 7.14 Any recourse claims that parties or third parties address to us under the title of product liability in the meaning of the Product Liability Act are excluded unless the party entitled to recourse proves that the defect has been caused in our sphere and, at least, by gross negligence.
- 7.15 Returned goods require the confirmation of the seller. Costs that accrue from damages due to improper packaging during return transport are charged to the customer.
- 7.16 Avoidance of the agreement on the basis of error is excluded.

8. Industrial Protection Rights

- 8.1 The customer is entitled to utilize the trademark which is affixed to the goods or its packaging by us for the purpose of identification of the unchanged or originally packed goods. Any further utilization (e.g. the utilization of the trademark, the name, the logo or other industrial protection rights of us, together with trademarks, names or other industrial protection rights of the customer or third parties or for the purposes of identification of the customer's products or third parties' products) is prohibited. The utilization of our industrial protection rights in publications, irrespective of the medium, is only permitted after the prior written consent by us. Upon utilization of our trademark, the registration thereof should be identified, by way of the ® symbol.
- 8.2 Drawings and other technical documentation remain our property just the same as the models, catalogs, brochures, illustrations and such like and protected by the appropriate statutory provisions with regard to copying, imitation, competition etc. At the least upon takeover of such documentation, the customer accepts our right thereto and customer's obligation to keep this documentation confidential. The customer undertakes not to allow third parties partial or entire access thereto without the prior written consent of us or to utilize same for any other purpose than for the purpose for which such was submitted. In the event of orders not placed, all documentation has to be returned to us, in the event of orders being placed, only upon request.
- 8.3 The customer is obligated to point out our industrial protection rights and other before mentioned rights to its customers (this excludes consumers) and to obligate its customers to comply with and pass on the before mentioned provisions. This especially applies to the obligation to commit each further customer (with the exception of consumers) to comply with the before mentioned provisions.
- 8.4 We are not liable for the violation of industrial protection rights of third parties if goods are manufactured or brought into circulation due to drawings, designs, models, specifications or other manufacturer statements of the customer. The customer shall defend, indemnify and hold us harmless from any and all third party claims based on industrial protection rights or otherwise relating to uses of our products purchased by customer, and waives all its own claims.
- 8.5 The customer shall ensure that this article is made binding on all subsequent purchasers.

9. Retention of title

- 9.1 The goods delivered by us remain our exclusive property until they are completely paid. This retention of title also extends to the proceeds from the resale of goods delivered by us. These proceeds are to be separately kept without being mixed with other means of payment.
- 9.2 Processing or reprocessing of goods delivered and still owned by us is effected without any liabilities accruing to us from this. The exclusive title to the goods created by processing or reprocessing is also held by us until payment of our open accounts receivable.
- 9.3 The customer shall promptly oppose any third-party attachments (e.g. seizure or attachment) in respect of goods on which we have retained title or in respect of claims assigned to us, indicating our rights. Moreover, the customer shall inform us forthwith in writing of any such attachment, providing the necessary documentation (e.g. copy of the attachment order) for intervention.
- 9.4 Should the customer default on payment or should it otherwise breach its contractual obligations, we shall be entitled to enter customer's premises and to repossess goods that are its reserved property at the customer's expense or to demand assignment of the customer's claims for surrender against third parties.
- 9.5 The assertion of title retention rights, the repossession of goods or the seizure by us of its own goods shall not be deemed as withdrawal from the sales agreement.

10. Limitation

- 10.1 Any claims against us lapse after six months from the agreed acceptance of the delivery or service at the latest.

11. Final Clauses

- 11.1 If any provision of these General Terms and Conditions is invalid or becomes invalid on the basis of new statutory provisions, the other provisions not affected by this remain valid. The parties agree to replace the invalid provision by a valid provision whose content fulfils the commercial purpose of the invalid provision as closely as possible.
- 11.2 Modifications, amendments and supplemental agreements to contractual agreements are to be made in writing to take effect. This also applies to declarations that serve the establishment, exercise or preservation of rights.
- 11.3 The customer is forbidden from assigning contractual rights to third parties without our written consent.
- 11.4 Place of performance for any contractual obligations is 4550 Kremsmünster, Austria.
- 11.5 The exclusive venue for asserting claims against us is the court competent in 4550 Kremsmünster, Austria, with regard to the subject matter. We are entitled to make claims against the customer at our discretion either at the court competent in 4550 Kremsmünster, Austria, with regard to the subject matter or at the court competent with regard to the subject matter where the customer has its general jurisdiction or at a court of arbitration. Disputes that we bring before a court of arbitration are finally settled under the Rules of Arbitration and Conciliation of the International Arbitral Centre of the Austrian Federal Economic Chamber in Vienna (Vienna Rules) by three arbitrators appointed in accordance with these rules. The language to be used in the arbitral proceedings is German.
- 11.6 Austrian law applies with the exclusion of the conflict-of-law rules and with the exclusion of the UN Sales Convention.
- 11.7 In placing an order on the basis of this price-list, the customer expressly accepts the application of these General Terms and Conditions as most recently revised, and acknowledges their receipt.

Allgemeine Geschäftsbedingungen von Schöler & Co. GmbH

1. Geltung

- 1.1 Unsere Lieferungen und Leistungen erfolgen ausschließlich zu unseren Allgemeinen Geschäftsbedingungen. Allgemeine Geschäftsbedingungen, die ein Kunde verwendet, werden nicht Vertragsbestandteil, dies gilt auch dann, wenn wir den abweichenden Allgemeinen Geschäftsbedingungen des Kunden nicht ausdrücklich widersprechen, sowie ferner dann, wenn in Kenntnis abweichender Vertrags- oder Geschäftsbedingungen von uns Lieferungen oder Leistungen ausgeführt werden.
- 1.2 Unsere Allgemeinen Geschäftsbedingungen gelten auch für künftige Lieferungen und Leistungen, auch wenn nicht ausdrücklich auf unsere Allgemeinen Geschäftsbedingungen verwiesen wird.
- 1.3 Eine Abweichung von unseren Allgemeinen Geschäftsbedingungen kann nur dadurch wirksam erfolgen, dass eine entsprechende Vereinbarung schriftlich und von beiden Teilen unterfertigt abgeschlossen wird.

2. Aufträge

- 2.1 Unsere Angebote sind freibleibend. Aufträge sind von uns erst dann angenommen, wenn wir sie schriftlich bestätigt haben.
- 2.2 Nachträgliche Änderungen von bestätigten Aufträgen (wie etwa Änderungen der Bestellmenge, Änderung von bestellten Artikeln, Farben oder Qualitäten) sind nur mit unserer Zustimmung möglich.
- 2.3 Sollten von uns bereits Leistungen aufgrund von Aufträgen, die nachträglich abgeändert werden sollen, erbracht worden sein, werden die Kosten, die durch die Erbringung der Leistung verursacht wurden, dem Kunden voll in Rechnung gestellt.
- 2.4 Aufträge, die sich bereits in Produktion befinden, können vom Kunden nicht mehr einseitig geändert oder storniert werden. Kosten aus Storno oder Änderungen werden dem Kunden voll verrechnet.
- 2.5 Es gelten die von uns bekannt gegebenen Mindestbestellmengen.
- 2.6 Ware aus Abrufaufträgen ist innerhalb der vereinbarten Frist, spätestens jedoch nach sechs Monaten, abzunehmen.

3. Produktspezifikationen

- 3.1 Wir können unsere Produktspezifikationen jederzeit ändern.
- 3.2 Angaben in Katalogen, Broschüren, usw. oder Eigenschaften von Produkten wie Farbe, Beschaffenheit oder Abmessungen sind nur verbindlich, soweit in der Auftragsbestätigung ausdrücklich darauf Bezug genommen wird.
- 3.3 Durch den Herstellungsprozess bedingte Abweichungen, z.B. in Bezug auf Mengen, Farben, Abmessungen, Gewicht und Produkteigenschaften, sind erlaubt.

4. Preise

- 4.1 Soweit schriftlich nicht anders vereinbart, sind unsere Preise Nettopreise, zu denen Umsatzsteuer in der jeweils geltenden gesetzlichen Höhe hinzuzurechnen ist. Dies gilt auch für Pauschalpreise.
- 4.2 Wir behalten uns vor, die vereinbarten Preise für Lieferungen und Leistungen – soweit diese nicht innerhalb von drei Monaten nach Vertragsabschluss erbracht werden – den im Zeitpunkt der Leistungserbringung entstehenden Lohn und Materialkosten anzupassen. Dies gilt nicht, wenn mit dem Kunden ausdrücklich ein Festpreis für die gesamte Dauer des Vertrages vereinbart ist.
- 4.3 Unsere Preise gelten für die vereinbarten Abnahmemengen. Bei Minderabnahmen behalten wir uns das Recht vor, die Preise entsprechend anzupassen.
- 4.4 Neben- und Zusatzleistungen zum vereinbarten Leistungsumfang werden dem Kunden gesondert in Rechnung gestellt.

5. Zahlungsbedingungen

- 5.1 Zahlungen durch den Kunden sind auf eines in der Rechnung angegebenen Konten und binnen der dort angegebenen Frist zu erbringen.
- 5.2 Die Zahlung gilt als geleistet, wenn wir frei über diese verfügen können. Bei Zahlungen in anderen frei konvertierbaren Währungen als der Rechnungswährung trägt der Kunde das Wechselkursrisiko und alle aus der Zahlungsverpflichtung entstehenden Währungsdifferenzen. Sämtliche Bankspesen gehen zu Lasten des Kunden.
- 5.3 Zahlungsverzug des Kunden tritt bei Fälligkeit auch ohne Mahnung ein.
- 5.4 Im Falle eines Zahlungsverzuges des Kunden berechnen wir Verzugszinsen in der Höhe von 12% p.a.
- 5.5 Darüber hinaus ist der Kunde verpflichtet, sämtliche durch seinen Zahlungsverzug verursachten Mahn- und Anspruchsverfolgungskosten, einschließlich der Kosten außergerichtlicher Anspruchsverfolgung, zu ersetzen. Die Geltendmachung eines höheren Verzugschadens behalten wir uns vor.
- 5.6 Eine Aufrechnung durch den Kunden mit Forderungen gegen uns ist ausgeschlossen, sofern die Gegenforderung nicht von uns ausdrücklich als bestehend und fällig anerkannt wird oder durch rechtskräftigen gerichtlichen Titel festgestellt wurde.
- 5.7 Reklamationen berechtigten nicht zur Zurückhaltung von Zahlungen.

6. Lieferbedingungen

- 6.1 Die Lieferzeit ergibt sich aus den Vereinbarungen der Parteien. Ein Fixgeschäft liegt nur dann vor, wenn dies von den Parteien ausdrücklich schriftlich vereinbart wurde. Für uns maßgebliche Lieferfristen beginnen erst dann zu laufen, wenn alle kaufmännischen und technischen Fragen geklärt sind und der Kunde allen ihm treffenden Obliegenheiten (wie etwa der Leistung einer Anzahlung) nachgekommen ist. Eine für uns maßgebliche Lieferzeit gilt dann als eingehalten, wenn die von uns geschuldete Lieferung im wesentlichen vertragsgemäß bewirkt ist.
- 6.2 Falls die Absendung versandbereiter Ware ohne Verschulden von uns oder aus Gründen, die dem Kunden zurechenbar sind, nicht möglich ist, können wir die Lagerung der Ware auf Kosten und Gefahr des Kunden vornehmen. Dadurch gilt die Lieferung als erbracht und akzeptiert. Die vereinbarten Zahlungsbedingungen erfahren dadurch keine Änderung.
- 6.3 Verzögert sich die Erbringung der Lieferung aus Gründen, die der Kunde zu vertreten hat, so steht uns ungeachtet allfälliger sonstiger Ansprüche das Recht zu, nach fruchtlosem Ablauf einer angemessenen Nachfrist anderweitig über die Ware zu disponieren oder nach unserer Wahl innerhalb einer angemessenen verlängerten Frist zu liefern.
- 6.4 Verzögert sich die Erbringung der Lieferung aus Gründen, die auf höhere Gewalt oder sonstige außerhalb unseres Einflussbereiches liegende Ereignisse zurückzuführen sind, so gilt eine angemessene Verlängerung der Lieferfrist als vereinbart. Der Beginn und das Ende derartiger Umstände werden dem Kunden, soweit möglich, unverzüglich mitgeteilt. Die vorgenannten Umstände berechtigen auch dann zur Verlängerung der Lieferfrist, wenn sie bei Zulieferanten eintreten.
- 6.5 Sind wir mit den von uns zu erbringenden Lieferungen oder Leistungen aus Gründen, die wir zu vertreten haben, in Verzug geraten, haften wir im Fall der groben Fahrlässigkeit oder des Vorsatzes für beim Kunden verursachte Schäden. Dies ist vom Kunden nachzuweisen. Die Haftung ist beschränkt auf höchstens 0,5% für jede volle Woche der Verspätung, insgesamt aber höchstens 5% des Netto-Auftragswertes. Ansonsten ist der Kunde – unter der zusätzlichen Voraussetzung des fruchtlosen Ablaufs einer angemessenen Nachfrist – im Rahmen der gesetzlichen Vorschriften zum Rücktritt berechtigt. In jedem Fall bleibt unser Anspruch auf Zahlung von Teillieferungen von einem allfälligen Rücktritt des Kunden unberührt. Weitere und darüber hinausgehende Ansprüche des Kunden sind ausgeschlossen.
- 6.6 Schadenersatzansprüche wegen Nichterfüllung oder verspäteter Lieferung sind ausgeschlossen – ausgenommen den Fall der groben Fahrlässigkeit oder des Vorsatzes, die vom Kunden nachzuweisen sind. Unsere Haftung ist in diesem Fall mit 5% des Netto-Auftragswertes begrenzt.
- 6.7 Ergibt sich während der Durchführung unserer Lieferungen oder Leistungen, dass der Auftrag nicht ausgeführt werden kann, sind wir berechtigt, vom Vertrag zurückzutreten, es sei denn, der Kunde stimmt einer Änderung des Vertrages zu. Im Fall des Rücktritts gebührt uns das anteilige Entgelt; der Kunde hat keinerlei Ansprüche.
- 6.8 Unsere Lieferungen erfolgen auf Grund der internationalen Incoterms 2000, die im Angebot oder der Auftragsbestätigung spezifiziert werden. Falls nicht anders angegeben, liefern wir ab Werk.
- 6.9 Die Vornahme von Teillieferungen und die Erbringung von Teilleistungen ist zulässig, sofern dies für den Kunden zumutbar ist.
- 6.10 Wenn nicht anders vereinbart, entscheidet Schöler über die Verpackung.

7. Gewährleistung und Haftung

- 7.1 Muster stellen nur einen ungefähren Zustand der zu liefernden Ware dar. Branchenübliche Abweichungen in Quantität und Qualität der gelieferten Ware stellen keine Mängel dar, die Gewährleistungsansprüche begründen.
- 7.2 Lieferungen aus verschiedenen Produktionspartien können ebenso branchenüblichen Abweichungen unterliegen, die keine Ansprüche des Kunden begründen.
- 7.3 Angaben über Eigenschaften unserer Erzeugnisse stellen eine bloße Beschreibung von Beschaffenheitsmerkmalen dar und sind keinesfalls als Zusicherung oder Garantie von Eigenschaften anzusehen.
- 7.4 Die Qualität unserer Waren können wir durch Zertifikate nachweisen. Weitere Prüfungen und Zertifikate können auf Wunsch veranlasst werden. Sie werden von uns getrennt berechnet.
- 7.5 Der Kunde ist verpflichtet, eine erfolgreiche Abnahme unverzüglich schriftlich zu bestätigen. Jede Lieferung und Leistung (auch Teillieferung oder Teilleistung) gilt jedenfalls als mangelfrei erbracht, wenn der Kunde nicht unverzüglich, längstens binnen vierzehn Tagen nach Wareneingang am Bestimmungsort, Mängel schriftlich anzeigt.
- 7.6 Die schriftliche Mängelanzeige muss folgende Angaben enthalten: a) Art des Mangels, b) komplette Artikelnummer, c) Stückanzahl, d) Rechnungsnummer, e) Datum des Wareneinganges.
- 7.7 Die Gewährleistungsfrist beträgt sechs Monate. Innerhalb dieser Frist leisten wir für ordnungsgemäße Lieferung oder Leistung Gewähr, wobei die Gewährleistung nach unserer Wahl auf Verbesserung oder Austausch beschränkt ist, vorausgesetzt der die Mangelhaftigkeit begründete Umstand ist bereits bei Gefahrübergang vorgelegen und der Kunde hat den Mangel unverzüglich schriftlich angezeigt. Wenn nicht ausdrücklich etwas anderes vereinbart ist, erfolgt die Gewährleistung am Erfüllungsort.
- 7.8 Zur Vornahme einer erforderlichen Verbesserung oder Nachlieferung ist uns nach Verständigung durch den Kunden ausreichend Zeit und Gelegenheit zu geben; geschieht dies nicht, so trifft uns keine Haftung für die daraus entstehenden nachteiligen Folgen. Lediglich dann, wenn dies unbedingt erforderlich ist, um eine Gefährdung der Betriebssicherheit zu vermeiden oder unverhältnismäßige Schäden abzuwehren, kommt dem Kunden die Befugnis zu, die Beseitigung eines Mangels selbst vorzunehmen oder durch Dritte vornehmen zu lassen. In solchen Fällen hat uns der Kunde unverzüglich zu verständigen. Der Aufwand einer Ersatzvornahme wird von uns bis zur Höhe des Betrages ersetzt, den wir uns durch die Ersatzvornahme erspart haben.
- 7.9 Wird der Mangel trotz Verbesserung oder Austausch nicht behoben, ist der Kunde berechtigt, das Entgelt zu mindern; ein Rücktrittsrecht ist ausgeschlossen.
- 7.10 Für Mängel, welche auf Anweisung des Kunden zurückzuführen sind oder welche an vom Kunden bereitgestellten Materialien und Erzeugnissen auftreten, besteht keine Gewährleistung. Uns trifft keine Verpflichtung, auf die Tauglichkeit von Anweisungen des Kunden oder der von ihm bereit gestellten Materialien oder Erzeugnisse hinzuweisen, wenn wir nicht ausdrücklich mit der Überprüfung beauftragt worden sind. Ebenso sind Ansprüche des Kunden ausgeschlossen, wenn er oder ein Dritter eine unsachgemäße Verbesserung vornimmt.
- 7.11 Im Rahmen von Lieferungen oder Leistungen, welche im Wesentlichen auf den Erzeugnissen Dritter beruhen, trifft uns eine Gewährleistungsverpflichtung oder eine Verpflichtung zum Schadenersatz nur insoweit, als uns selbst Gewährleistungs- oder Schadenersatzansprüche gegen den Dritten zustehen. Uns kommt wahlweise die Möglichkeit zu, uns von unseren Verpflichtungen zu befreien, indem wir unsere Ansprüche gegen den Dritten dem Kunden zur Abtretung anbieten.

- 7.12 Schadenersatzansprüche wegen mangelhafter Erfüllung stehen dem Kunden nur dann zu, wenn er uns Vorsatz oder grobe Fahrlässigkeit nachweist. Im Hinblick auf Schäden, welche nicht an der mangelhaften Sache selbst entstehen, besteht eine Haftung außerdem nur unter der weiteren Voraussetzung, dass es sich um Schäden, die auf eine schuldhaft Verletzung von Leben, Körper oder Gesundheit, auf arglistig verschwiegene Mängel sowie das Fehlen ausdrücklich zugesicherter Eigenschaften zurückzuführen sind. Die Haftung ist – pro Schadensfall – auf vertragstypische, von uns vernünftigerweise vorhersehbare Schäden sowie die von unserer Versicherung erbrachte Ersatzleistungen beschränkt. Weitere Ansprüche sind ausgeschlossen.
 - 7.13 Unsere Haftung bleibt auf Schäden beschränkt, die an der Ware selbst entstehen; die Haftungssumme ist in jedem Fall auf die Höhe des Betrages beschränkt, den wir für die betroffene Ware erhalten haben. Jegliche Ansprüche auf indirekte und Folgeschäden einschließlich des entgangenen Gewinns sowie sonstige wie auch immer begründete Schäden sind ausgeschlossen. Davon ausgenommen sind Fälle des Vorsatzes sowie grober Fahrlässigkeit. Wir haften nicht für Fahrlässigkeit, soweit gesetzlich nicht zwingend vorgeschrieben. Die Beweislast liegt beim Kunden.
 - 7.14 Allfällige Regressforderungen, die Vertragspartner oder Dritte aus dem Titel der Produkthaftung im Sinn des Produkthaftungsgesetzes gegen uns richten, sind ausgeschlossen, es sei denn, der Regressberechtigte weist nach, dass der Fehler in unserer Sphäre verursacht und zumindest grob fahrlässig verschuldet wurde.
 - 7.15 Retoursendungen bedürfen des Einverständnisses des Verkäufers. Für Kosten, die durch Schäden auf Grund unsachgemäßer Verpackung beim Rücktransport entstehen, wird der Käufer belastet.
 - 7.16 Eine Anfechtung des Vertrages wegen Irrtum ist ausgeschlossen.
8. Gewerbliche Schutzrechte
- 8.1 Der Kunde ist berechtigt, die von uns an der Ware oder ihrer Verpackung angebrachte Marke zur Identifizierung der unveränderten oder originalverpackten Ware zu benutzen. Jede darüber hinaus gehende Benutzung (z.B. die Verwendung der Marke, des Namens, des Logos oder sonstiger gewerblicher Schutzrechte von uns, zusammen mit Marken, Namen oder sonstigen gewerblichen Schutzrechten des Kunden oder Dritter oder zur Kennzeichnung von Produkten des Kunden oder Dritter) ist verboten. Die Verwendung unserer gewerblichen Schutzrechte in Veröffentlichungen, gleichgültig in welchem Medium, ist nur nach vorheriger schriftlicher Zustimmung von uns erlaubt. Bei der Verwendung unserer Marke ist auf deren Registrierung durch das Zeichen @ hinzuweisen.
 - 8.2 Skizzen und sonstige technische Unterlagen bleiben, ebenso wie Muster, Kataloge, Prospekte, Abbildungen und dergleichen, stets in unserem Eigentum und sind durch die einschlägigen gesetzlichen Bestimmungen hinsichtlich Vervielfältigung, Nachahmung, Wettbewerb usw. geschützt. Spätestens mit Entgegennahme dieser Unterlagen erkennt der Kunde unserer Rechte an den Unterlagen sowie seine Pflicht, diese vertraulich zu behandeln, an. Der Kunde verpflichtet sich, diese Unterlagen nicht ohne vorherige schriftliche Zustimmung von uns ganz oder teilweise Dritten zugänglich zu machen oder außerhalb des Zweckes zu verwenden, zu dem sie übergeben worden sind. Im Falle nicht erteilter Bestellungen sind sämtliche Unterlagen an uns zurückzugeben, im Falle erteilter Bestellungen nur auf Verlangen.
 - 8.3 Der Kunde ist verpflichtet, seine Abnehmer (mit Ausnahme von Konsumenten) auf die gewerblichen Schutzrechte und sonstigen vorbezeichneten Rechte von uns hinzuweisen und sie zur Einhaltung und Weitergabe der vorstehenden Bestimmungen zu verpflichten. Dies betrifft insbesondere die Verpflichtung, jeden weiteren Abnehmer (mit Ausnahme von Konsumenten) zur Einhaltung der vorstehenden Bestimmungen zu verpflichten.
 - 8.4 Wir haften nicht für die Verletzung von gewerblichen Schutzrechten Dritter, wenn Ware auf Grund von Zeichnungen, Entwürfen, Modellen, Spezifikationen oder von sonstigen Herstellerangaben des Kunden hergestellt oder in Verkehr gebracht wird. Der Kunde stellt uns in solchen Fällen von jeglicher Haftung oder Inanspruchnahme frei und verzichtet auf alle eigenen Ansprüche.
 - 8.5 Der Kunde verpflichtet sich, die Bestimmungen dieses Abschnittes auf alle späteren Erwerber zu übertragen.
9. Eigentumsvorbehalt
- 9.1 Die von uns gelieferten Waren stehen bis zu deren vollständiger Bezahlung in unserem ausschließlichen Eigentum. Dieser Eigentumsvorbehalt erstreckt sich auch auf den Erlös aus dem Weiterverkauf der von uns gelieferten Waren. Dieser Erlös ist ohne Vermengung mit anderen Zahlungsmitteln gesondert zu verwahren.
 - 9.2 Die Verarbeitung oder Bearbeitung von uns gelieferter, noch in unserem Eigentum stehender Ware erfolgt, ohne dass für uns Verbindlichkeiten hieraus erwachsen. An den nach Be- oder Verarbeitung entstandenen Waren steht das ausschließliche Eigentumsrecht bis zur Bezahlung unserer offenen Forderungen ebenfalls uns zu.
 - 9.3 Zugriffen Dritter (z.B. Pfändung oder Beschlagnahmen) auf die unter Eigentumsvorbehalt gelieferte Ware oder auf die an uns abgetretenen Forderungen hat der Kunde unverzüglich unter Hinweis auf unsere Rechte zu widersprechen. Ferner hat er uns sofort von diesen Zugriffen schriftlich, unter Überlassung der für eine Intervention erforderlichen Unterlagen (z.B. Abschrift des Pfändungsprotokolls) zu unterrichten.
 - 9.4 Bei Zahlungsverzug und sonstigem vertragswidrigem Verhalten des Kunden sind wir berechtigt, die Geschäftsräumlichkeiten des Kunden zu betreten und die Vorbehaltsware auf Kosten des Kunden in Besitz zu nehmen oder die Abtretung der Herausgabeansprüche des Kunden gegen Dritte zu verlangen.
 - 9.5 Die Geltendmachung von Eigentumsvorbehalten bzw. die Rücknahme der Ware sowie eine etwaige Pfändung der Ware durch uns selbst gelten nicht als Rücktritt vom Vertrag.
10. Verjährung
- 10.1 Sämtliche Ansprüche gegen uns verjähren spätestens sechs Monate ab der vereinbarten Abnahme der Lieferung oder Leistung.
11. Schlussbestimmungen
- 11.1 Sollte eine Bestimmung dieser Allgemeinen Geschäftsbedingungen unwirksam sein oder durch neue gesetzliche Bestimmung unwirksam werden, so bleiben die hiervon nicht betroffenen übrigen Bestimmungen unverändert wirksam. Die Parteien verpflichten sich, die unwirksame Bestimmung durch eine wirksame Bestimmung jenen Inhalts zu ersetzen, die wirtschaftlich der unwirksamen Bestimmung am nächsten kommt.
 - 11.2 Änderungen, Ergänzungen und Nebenabreden zu vertraglichen Vereinbarungen bedürfen zu ihrer Wirksamkeit der Schriftform. Dies gilt gleichermaßen für Erklärungen, welche der Begründung, Ausübung oder Wahrung von Rechten dienen.
 - 11.3 Dem Kunden ist es untersagt, vertragliche Rechte ohne unsere schriftliche Zustimmung auf Dritte zu übertragen.
 - 11.4 Erfüllungsort für sämtliche Vertragspflichten ist 4550 Kremsmünster, Österreich.
 - 11.5 Ausschließlicher Gerichtsstand zur Geltendmachung von Ansprüchen gegen uns ist das für 4550 Kremsmünster, Österreich, sachlich zuständige Gericht. Wir sind berechtigt, nach unserer Wahl den Kunden entweder bei dem sachlich für 4550 Kremsmünster, Österreich, zuständigen Gericht, oder bei dem sachlich zuständigen Gericht, vor dem der Kunde seinen allgemeinen Gerichtsstand hat oder bei einem Schiedsgericht in Anspruch zu nehmen. Streitigkeiten, die wir vor ein Schiedsgericht bringen, werden nach der Schieds- und Schlichtungsordnung des internationalen Schiedsgerichts der Wirtschaftskammer Österreich in Wien (Wiener Regeln) von drei gemäß diesen Regeln ernannten Schiedsrichtern endgültig entschieden. Im Schiedsverfahren ist die deutsche Sprache zu verwenden.
 - 11.6 Es gilt österreichisches Recht unter Ausschluss der Verweisungsnormen sowie unter Ausschluss des UN-Kaufrechts.
 - 11.7 Mit Bestellung auf Grundlage dieser Preisliste erkennt der Kunde die Geltung dieser Allgemeinen Geschäftsbedingungen in der jeweils geltenden Fassung ausdrücklich an und bestätigt deren Zugang.

LOGO

The ASF4UR logo is pressed on the top of the balls, pendeloques, drops etc. and is applied on many of the articles where technically possible.

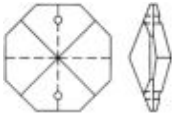

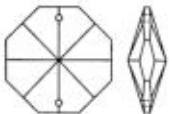

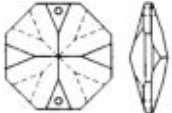

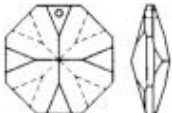

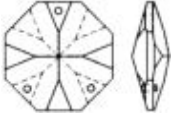

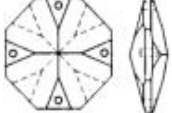

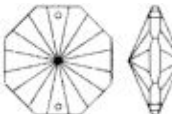

It has been registered as part of the agreement of Madrid in many countries around the globe.

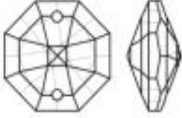

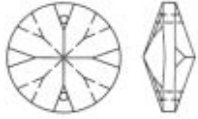

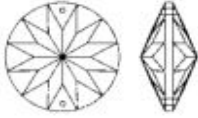

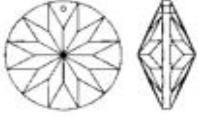

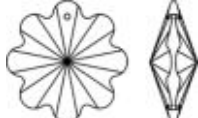

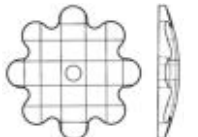

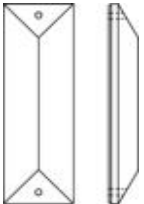

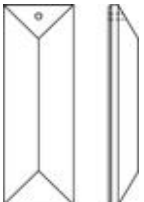

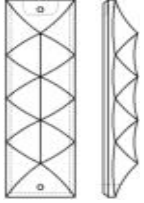

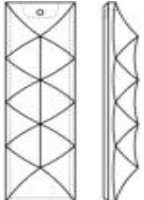

CHANDELIER LABEL

The ASF4UR label is to ensure the authenticity and originality of a chandelier which is dressed with ASF4UR lead crystal (30% PbO) components.

GENERAL INFORMATION

Advanced technology and skilled craftsmanship form the product SCHÖLER CRYSTAL, crystals of finest quality and high value. Minor deviations in dimensions, crystal thickness, nuances in color, and occasional bubbles are a typical sign of handcrafting.

This catalog/pricelist shows a selection of our crystals. If you prefer your own designs, do not hesitate to ask for an offer. We will be glad to produce exclusively for you !

... fine lead-free crystal

... premium sparkling quality

... individually packed in gift boxes

Each piece is a unique work of art,

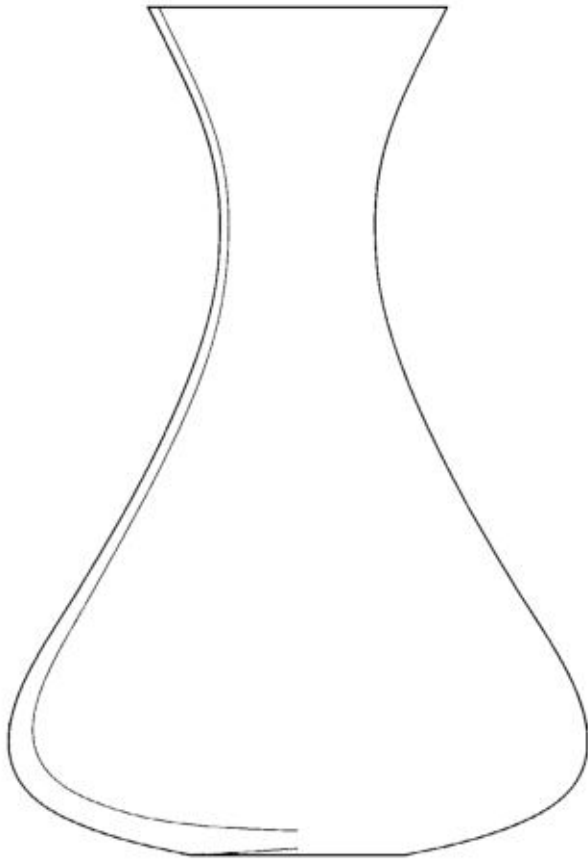

**guaranteed by our  logo,
engraved at the bottom of each piece.**

**As our glasses have a master-blown thin edge,
washing by hand is recommended.**

**Since 1949, Schöler Crystal
has created the finest crystal with superior sparkle
for lighting, for interior, for decoration, etc.**

**Our long experience in crystal manufacturing
has encouraged the production of such a great tableware line.**
